The State of Preschool 2020

“For nearly 20 years, annual progress on preschool has been slow and uneven, and at this pace America won’t achieve universal pre-K for another 100 years. Without federal funding, this is unlikely to change. Now is the time for renewed federal and state commitments to high-quality pre-K.”

The State of Preschool 2020

“Lawmakers need to act now to make up for learning loss and get pre-K back on track for next year. Without action, enrollment declines due to the pandemic will lead to automatic cutbacks in funding for many states next year, even if enrollment rebounds.”

**The State of Preschool 2020**

**“To have a lasting impact, more funding is needed to improve quality for children, support full-day programs, and provide teachers with competitive salaries and benefits. Nationwide, we estimate that programs need an average of at least \$12,500 annually per child to do this.”**
